Usage of our online catalogues:

The effective search function of our online catalogues facilitates rapid identification of the relevant areas; page size can be increased or decreased, quick search in the sitemap or selecting the relevant heading is helping you to navigate easily. The Bookmark manager allows you to bookmark pages – you can even make notes there. The “Print” function in the “More Actions” selection menu can be used to produce high-quality prints.

The catalogues can be downloaded onto Smartphones, Tablets (Android, Apple) at quick download speeds, viewed online on a PC, or conveniently downloaded as PDF files.
