

be true to
your sound.

Our mission

To empower everyone to deliver their sound as clearly as possible with easy-to-use and reliable audio tools.

Why Palmer® ?

Palmer® audio tools are renowned for their robust, hand-crafted construction, and for being performers with well-thought-out technical designs and high-quality components. Musicians and audio technicians value Palmer® for its top-quality sound, reliable functionality, precise detail, and for its pure authenticity through and through.

Who we are

Palmer® began as a small German custom manufacturing company and has since become a renowned international brand for audio engineers and musicians. Since 1980, we have been crafting professional audio tools for use on stage, in broadcast, and in recording studios.

Our wide range of products include speaker simulators for tone enthusiasts, innovative pedalboards and power supply systems, studio monitors, monitor controllers, and reliable audio tools like DI boxes, line isolators, splitters and mergers.

Our dedication to pristine audio signal integrity, accuracy and attention to detail is our hallmark, all while following the motto: Be true to your sound.
