Our complete range of  
**hardware** for building  
**flightcases** to **protect your**  
**equipment** during carriage.

Every demanding case-maker expects hard-wearing, reliable and precision parts to be able to manufacture the most professional, highest quality flightcases. At the same time, they need to economically meet the specific demands of their customers.

Adam Hall® Hardware is a pioneer in this area and since the 1970's has been developing a comprehensive range of flightcase components in Germany. From 19" rack accessories, to novel wood and plastic panels with properties beyond the usual to every type of lock, corner, handle and aluminium profile.

Give your flightcases an individual and unique touch with the variety of Adam Hall flightcase hardware. Simply put Adam Hall® Hardware is: Your best case scenario.
