

Financial Services

Efficient, fast and simply processed

Choose between part and full amortisation or hire purchase

Our leasing partner works out the best offer for you.

1 Part amortisation

Upon completion of the leasing period, ownership of the leased product can be transferred at an agreed value.

2 Full amortisation

Upon completion of the leasing period, the leased product can be purchased at the current market value.

3 Hire purchase

100% financing as well as an orderly transfer of ownership at the end of the period.

Your benefits at a glance

- ✓ Balance neutrality and liquidity (part and full amortisation)
- ✓ Independence from interest rate fluctuations and rating changes
- ✓ Planning security
- ✓ Leasing models fully deductible as operating expenses

The Adam Hall Group offers this financing service to all European customers with a good credit rating from the industry, distribution and installation sectors for purchases of 3,000 euros and more. Accessories such as tripods, flightcase hardware and cables are excluded, but can be included as part of a whole project.
